Part A:

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

1. To sustain and enhance quality in all aspects of education it was decided to strengthen the pedagogy to be followed in class room with a view to increase student's engagement

Quality enhancement initiatives have been taken to enhance the quality of teaching - learning process to be made more student participative, hence concept of flipped class room was introduced. Institute undertook keen focus towards faculty development and research to improve performance in curricular, co-curricular and extra-curricular activities. Continuous efforts are being made to provide better infrastructure for enhancing performance.

Heads of the various Functional domain, along with faculty, Industry experts, Alumni, Parents consulted during the Board of Studies, to agree on various content and pedagogy of delivery. Through these it was agreed to conduct and participate in various activities like Seminar, Workshop, Book review, and Research paper presentation, Quiz etc, to induce leadership skills and develop their personality.

Continuous evaluation is induced through class participation in the form of "Flipped Class room" by all faculties. Students are encouraged to take up projects and make presentations in their classes. This development, through various participative activities, enabled them to obtain better results in the final year examination and enhance their employability skills.

Quality enhancement is a continuous process. Hence to sustain and enhance the quality in all aspects of education, the Institute conducts evaluation of student feedback twice a year. One during the mid-semester, where Director and Dean Academics goes to each subject lecture and tries to take subjective feedback on structured questionnaire as well as detail understanding of students need. This facilitates in deriving measures that enables in attainment of better academic achievement. The structured questionnaire are attached in. (Annexure - I)

The College had ISO certification done on 6th July 2006 valid till July 2009. The ISO certificate was once again renewed on Dec 2012 and was valid till 2015. Meetings and Workshops were held for staff members to create awareness about the same. The institute decided to go for NBA accreditation in the academic year 2013-2014, hence did not continue with ISO renewal in 2015 Dec. In 2016 the Institute applied for NBA accreditation for both its Programme- MMS & PGDM. It got Provisional Accreditation for 2 years 2016-17 & 2017-18. The Institute then decided to apply for NAAC accreditation also and started preparing its SSR.

2. **To introduce relevant need based courses.**

The College identified the rising need of Business Analytics in the contemporary world of work. As such the Institute in the academic year 2014-15, entered into MOU with SAS USA to include analytics to be introduced and implemented through SAS Platform. This association continued and 8 faculty members had undergone training from SAS to be certified and develop skill to teach through SAS platform. The Institute entered another MOU with RCF and jointly conducted events for students skill development. MOU with EDI continues with entrepreneur awareness program and workshop conducted on Design thinking.

The Institute associated as member with IMCI (The Institute of Management Consultant of India) Bombay Chambers of Commerce and Industry. IMC Chamber of Commerce & Industry. Bombay Management Association. SME Chamber of India. AMDISA(Association of Management Development Institutions) , Higher Education Forum, in order to stay updated with the Industry happenings. Students and Faculty members could participate in various activities to stay updated with world of work.

The Institute launched its 1 Year Executive Programme in Advanced Business Analytics in August 2016. It was a week end course. 8 students joined the course. (Detail of student list and brief of course structure is attached in Annexure I)

3. To strengthen research culture

The College authorities take several motivational initiatives to promote research culture. The IQAC members in particular motivate and guide the faculty to undertake research (for Ph.D , Post Doctoral, etc.), Minor and Major Research Projects are conducted by having interface meeting, workshops and presentations. The Institute promotes research environment and thus conducts Research workshop and Conferences. The HR policy of the Institute has well delineated rules to facilitate research for faculties. The faculty members are encouraged to participate in Research paper presentation, National & International Conference, Research FDP conducted both in house and in other outside Institute. The faculties are rewarded for their quality publications in journals. (List attached in Annexure I)

The motivational initiative has resulted in enrolment of all faculty for Ph D programme. Out of 32 faculties (Both MMS & PGDM) 14 faculties are Ph D holder. 3 HR faculties got trained from MBTI, and developed our own behavioral assessment Centre, named VEBAC (VESIM Behavioural Assessment Centre) The objective of this centre was to provide career counselling to our students both of MMS & PGDM , and take up consultancy for career guidance and personality assessment of our inhouse staff and Corporates. (List of consultancy attached in Annexure 1)

We have our in-house journal and faculties are rewarded for publishing in reputed journals indexed under Scopus/ABDC. Many faculties have authored/co-authored/edited books and text books. Non teaching staff is also taking interest to publish research paper. The Institute has its own approved Ph D centre, from where 4 student has already got his Ph D degree awarded. One have submitted thesis and awaiting award.

4. To strengthen Industry / Institution Linkages

There is a continuous effort to develop Industry Institution association. The Institute conducts HR summit to call HR personnel from different sector of the Industry. The Alumni of the Institute are continuously involved in various academic activities. Other Industry experts from different sector comes for technical talk. Every subject arranges two guest lectures from Industry personnel, so that the student learns the contemporary practices of the Industry and also develops a network and bonding. There is a system of Industry mentoring practiced to develop the employable skill set among the students. The Institute conducts Mock GD & PI calling Corporates HR and Alumni, along with Faculty member of different

functional domain to develop employability skill and maintain linkage with Industry.

5. To strengthen National and International Linkages

To expose faculty and students to the best of the institutions in India and abroad and to develop global competency and development of their personalities, MoU's have been signed and academic linkages are developed.

MoU has been signed with SAS USA, to deliver analytical approach of functional domains, to increase analytical skill set required to match the industry need. 8 faculties have taken training from SAS, India, and few more are to undergo similar training, so that they become resource for the Institute both to impart lectures and train students on analytical approach at SAS platform, develop to take up consultancy projects. The Institute has a long term goal to prepare for future faculty exchange program with International universities. The Institute has well delineated international policy to take forward faculty exchange programme and has entered into MOU with Synergy University, Moscow, Russia Oklahoma State University, USA, EUDU (ESCUELA EUROPEA DE DIRECCION EMPRESEA) Madrid, Spain, for joint research, faculty, student and cultural exchange, thus creating opportunity for scholarly exchange and collaboration

The Institute has signed MoU with RCF (Rashtriya Chemical & Fertilizer Ltd) to impart trainings to students. An ERP HR training was conducted at RCF Campus, Chembur between 9th & 11th January 2017. 11 students and 2 faculty members participated. There had been two-fold learning from this workshop- Technical and concentration building. The participants had hand on experience on SAP tools.

6. FDP, Conferences and Literature Festival

In the academic year 2016-17, we conducted one International conference, from Feb 10th and 11th 2017 on “ Social Entrepreneurship and Social Responsibilities: A Sustainable Approach to Economic Growth” in Association with Indus Business School Bangalore. The event focused on identifying the root cause of declining trend in investment on social innovative business venture, the global issues and thus identify means to encourage social entrepreneurship so that people enjoy quality of life and vibrant economic and investment activities. It was an ideal platform for researchers, entrepreneurs, economists, bankers and practitioners share their research and practical experiences in all major issues. The two day conference was attended by 200 participants from a mix of academic, industry, financial institutions and students. The event exhibited richness of culture and professionalism. All our events are student driven activities, under the guidance of faculty, which enables them to develop their managerial skills and team work culture.

Literature festival saw its 2nd prestigious event being organized on 6th & 7th Jan 2017. A two-day literature festival with 32 authors and two gala evenings, organized to bring out managerial skills of the students With marketing cell students as core team they managed the execution of the event, getting sponsorship, planning itinerary of the guests and marketing of the event. The team also organized gala evenings and managed 55 MMS student volunteers during two days of the event.

Like every year in order to give first hand experience to our new joiners of both MMS & PGDM a “ Sell-On” activity is organized. This year it was conducted on August 13-15, 2016. The students are required to sell goods made by NGOs to give them first-hand experience of sales with a social cause.

Marketing Quiz was conducted on September 23, 2016

A one-day quiz organized for MMS students with cash prizes for top three winning team.

7. To strengthen alumni participation

The meetings of the Alumni Association are organized on regular basis. To strengthen their participation, the Alumni cell driven by students under the guidance of a faculty, has taken initiative and formed a registered Alumni body as VESMAA in DEC 2016, with 8 Alumni functional heads of the committee. Few of the events which are a continuous event consists of Alumni mentoring the students and delivering guest lectures. Sending of regular birthday wishes to the alumni and updating all college events through social media-facebook, twitter & Instagram. They are regularly invited on social events like glimpses, Conferences, HR summit etc. These association with their alma meter helps in generating placement and summer internship. Alumni are part of every BoS, both for MMS & PGDM. Alumni Mentorship programme was conducted in campus. On Oct 8th there was a get together FETE 2016 in VESIM auditorium, followed by dinner. Mock Interview by Alumni were conducted in Dec 2016. In Feb alumni were invited to interact with NBA audit team. The current batch has close coordination with their Alumni and they provide good participation and connect for the present students.

8. Adopt process of Accreditation

The Institute had applied for NBA Accreditation in Sept 2016. In February 2017, the audit team came and in March 2017 the Institute got both its programme's Accredited by NBA for 2 years. (2016-17 & 17-18)

The Institute has realized the potential it has in imparting courses in Business Analytics. Hence it plans to increase its PGDM batch from 2018-19, from current 60 seats to 120 seats.

Part B:

1. Activities reflecting the goals and objectives of the institution:

a. The College provides a very cordial teaching - learning environment to the students.

The institution fosters a culture of learning for students belonging to different strata of the society and enable empowerment through learning. The institute does not have any management quota and admission is fairly on the basis of merit. Complete transparency is maintained.

The overall development of students' personality is of prime importance in the college. As soon as the students join, they are introduced to the Institute's objective and the programme objective. The PGDM students are taken for a 2 day "Outbound activity" in a distant location, along with a team of faculty who would be facilitating in ice breaking them and identifying their skills. Thus it facilitates in developing a free communication procedure align with various team building activities. On the day of induction they are briefed about all the activity cells that exists, and all are encouraged to be part of one cell. Several Committees have been set up to organize and encourage participation in various curricular, co-curricular and extra-curricular activities. This helps to provide value based education to the students and create awareness about the environment and maintain communal harmony. This also helps them to develop their managerial skills like team work, decision making, organizing, coordinating etc.

Annual academic calendar is prepared in consultation with the faculty and students representatives. Plan is developed for academic programmes, collaborative activities, student's activities, to appraise faculty progress and for infrastructure development.

There is an open culture of taking feedback from the students to strengthen teaching learning system towards "outcome" based. Every semester the Director and Dean academics, visits every class to take feedback, in order to understand what improvement needs to be done. At the end of the semester again feedback is taken to observe the improvement as desired.

b. Value based education an important aspect of the Institute activities.

To inculcate value education among the students, the Institute aims to create social leaders. The Institute has a very strong "CSR" cell whose primary task is to instill all socially value based activities to the students. The institute has 3 weeks "Yuva for Seva" programme, in which students goes to different NGO's across the country to work for them as a voluntary contribution towards society. This enables them to go close to observe the society of the bottom of the pyramid. An awareness takes place within them to become socially responsible as they grow to be leader's of future. This activity is conducted after completion of Sem II exam in the month of December.

The Institute also has an event of mentoring called "Guru shishya Parampara". 10 students of each year is put under a faculty mentor, who acts as a Guru to guide

them become socially responsible citizen. Once the students get their Career guidance report evaluated through “MBTI Certified Internal Trainers” the students are counseled, about their career options.

c. Seminars/ Conferences/ Workshops Attended :

26 faculty members had gone to participate in different national and International conferences and Workshops or seminars from various departments to discuss and deliberate on current issues on relevant topics and thereby enhance the quality of teaching-learning process. (List attached in Annexure 1)

2. New academic programmes initiated :

As per the demand of the students and need of the time, college had tied up academic partnership with an MoU signed with NISM, to impart short term course in Banking and Finance. Under NCCSM course, batch 2 was started in this academic year with 18 students. For Investment Advisor program batch1 started this year with 8 students. (List attached in Annexure 1)

The institute has established programme for studies in Soft Skill Development, to enhance the employability of its students both for MMS & PGDM. It has its own leadership unit “VESLARC” Different developmental session, Yoga classes, Meditation & Counseling is imparted from this established unit, both for students as well as faculty and staff members. The Institute also has a full time certified Counsellor Mrs Shreya Bhartiya, who also heads CSR Cell.

3. Innovations in curriculum design and transaction:

a. The institute to keep itself updated as per industry requirement, organizes BoS, twice each year, one per semester. The BoS is organized separately for both programme, MMS & PGDM. The BoS consists of Institute Director Dr Satish Modh, the Dean Academics of MMS, the Dean Academics of PGDM, all faculty members associated for each course, subject expert from each functional domain coming from industry, Alumni & Parents.

After exhaustive discussion all new, and best practices as per industry standards are included. Since MMS is a course affiliated to Mumbai University, the curriculum of university has to be followed, but additional requirement not covered through the prescribed curriculum, gets covered through various workshops & guest lectures conducted in each subject.

In case of PGDM new subjects or inclusion of industry suggested topics are taken care in the curriculum.

b. The faculty members use innovative teaching methods to enhance classroom teaching. Guest faculty from industry are invited for special lectures. Industrial / Educational visits were undertaken to supplement classroom teaching. Special efforts are made to improve the communication skills of students. Every subject has project preparation and presentation at the end of each semester. This helps

students overcome their inhibition, stage fear, facing the crowd, communication skills, presentation skills etc.

4. Examination reforms implemented:

- a. As per University norms in MMS Sem I & II's all papers are conducted by the Institute. In Sem III they have one core paper International Business and one specialization paper from each function domain conducted by the university. In Sem IV they have one university paper. Incase of PGDM, all papers are conducted by the Institute.
- b. To prepare the students for securing excellent results, they are provided with mock test for all the university papers.

18. Infrastructure Development

NEW INFRASTRUCTURE DEVELOPED IN THE ACADEMIC YEAR STARTING JULY 2016 to JUNE 2017

New cabins for Area Chairpersons:

4 New cabins have been developed for the 4 Area Chairpersons -HR, Business Analytics, Marketing and Finance on the A-Wing of the First Floor.

The Interiors of the cabins have been done by our VES Construction Team and each workstation has been customized as per the requests by Area Chairperson with respect to lights, wall storage units, glass shelves, chairs and workstation.

Server Room:

The Server room was separated from Main Computer Lab of the First floor and given separate restricted access through Biometric machine. The access is given only to the Computer Lab Engineers, IT Head, Area Chairperson-Business Analytics and Director-VESIM. Additional Panasonic 1.5 Ton Inverter AC was installed in the Server Room.

Board Room:

A meeting room was developed on the A-Wing of the first floor of the VESIM Building, for the use of important meetings, majorly for the meetings conducted by Director -VESIM, VES Trustees and key strategic partners of VESIM, on the A Wing of First Floor. The room has facility of video-conferencing facility and the sitting arrangement in the room has been made around central wooden table.

Director's Lounge:

A waiting area was created opposite the Director Sir's room, on the A-Wing of the First Floor, equipped with 3-4 small wall paintings, central table and sofa.

Cabin for Manager-Human Resources and Executive Assistant to Director:

A separate cabin was created behind the Director's Waiting Lounge for Manager-Human Resources and Executive Assistant to Director.

Part C: Detail of the plans of the institution for the next year.
