

## **Campus Recruitment Program ( 2022-2023)**

### **Placement Report- VESIM BATCH (2021-2023)**

VESIM Mumbai takes immense pride in declaring the successful completion of the Campus Recruitment Program (2022–2023) for the MMS Batch of 2021–2023. The institute witnessed a tremendous response from our valuable recruiters. The institute's strong student-driven culture, structured academic rigor, and firm corporate engagement model have ensured the students' excellence, thereby securing them premium roles across top organizations despite the odds of the pandemic.

Over 105 organizations from various sectors—including Automobile, Advertising & Media, BFSI, Consulting, FMCG, Pharmaceuticals, Information Technology, Manufacturing, among others—participated in the Campus Recruitment Program (2022–2023), which had a participation of 141 students. Premium organizations across sectors made a total of 153 offers in the Research, Consulting & Strategy, Finance, General Management, Human Resources, Operations, and Sales & Marketing domains, offering an average CTC of INR 6.49 LPA.

Students of our VESIM institute were successful in securing a cumulative total of 10 Pre-Placement Offers, by virtue of their excellent performance in Summer Internships, Corporate Competitions, and Live Projects.

We express our immense gratitude to our recruiters for their faith in the talent of VESIM. We are also honored to initiate new associations with premium organizations, including SBI Global, Haldiram, Affle India, JSW Ltd, Adani Group, A.P. Moiler, Piramal Group, CARE, Hansa Research, SAS, TIAA, NSE, to name a few.

We appreciate the contribution of the entire VESIM fraternity for their sustained assistance throughout the placement process. We look forward to carrying on this momentum with continued support from our students, recruiters, alumni, staff, and management.
