VESIM Mumbai's Campus Recruitment Program (2024–2025) for the MMS Batch of 2023–2025 is still in progress. The institute is witnessing a tremendous response from our valuable recruiters in spite of global turbulence. The institute's strong student-driven culture, structured academic rigor, and firm corporate engagement model have ensured students' excellence, thereby securing them premium roles across top organizations despite the odds of the pandemic.

Over 124 organizations from various sectors—including Real Estate, FMCD, Advertising & Media, BFSI, Consulting, FMCG, Pharmaceuticals, Information Technology, Manufacturing, among others—participated in the Campus Recruitment Program (2024–2025), which included 186 students.
